Kumano Kodo Signs

The Kuhakunin route is well-signed in both Japanese and English. Please refer to your map and follow the signs to complete your walk safely.

KUMANO KODO KAN Pilgrimage Center

The Kumano Kodo Kan Pilgrimage Center, across the river from Takijiri-ji, is an information center with exhibition on the Kumano Kodo and small-scale shop. It is a good place to get an overview of the area before your walk.

Open: 8:30-17:00
(Open year-round except New Year's holidays)

Along each of the routes there are numbered sign posts every 500 meters marked with the icon on the map. Most are wooden sign posts, but on the western portion of the Mii-dera route (1-10) they are made of stone.
