

The **Albergue Kodo** is roughly 25 minutes from Nachi Station(那智駅) on foot. Alternatively, there is a local bus that goes from JR Kii-katsuura Station (紀伊勝浦駅) via Nachi Station(那智駅) that stops just 4 minutes from the guesthouse. The nearest bus stop is Makinono(牧野々) and it takes either 15 minutes or 4 minutes to get there from Kii-Katsuura or Nachi Station respectively. Our bus stop "Makinono"(牧野々) is located between "Nachi Station"(那智駅) and "Daimonzaka Parking"(大門坂駐車場).

The guest house is in the back of a residential area off the main road opposite the Makinono bus stop. To get to the guest house, there is a local road through a residential area off the prefectural highway. There is a small sign along the local road, indicating the turning towards the guest house. When it gets dark at night, the guest house may be difficult to find. Please don't hesitate to call me if you get lost.

Get off at Makinono bus stop and walk about 300meters toward nachi station.
